

**Town of Collierville Planning Division Announcement
July 2008**

Meet with planners regarding the pending Subdivision Regulations amendment

The purpose of these meetings is to discuss any questions, concerns, or issues with Planning Division staff regarding the amended Subdivision Regulations.

A comprehensive amendment to the subdivision approval process and submittal requirements was recently approved by the Planning Commission. The amendment also added a definitions section, in addition to other revisions.

The amendment goes into effect for new subdivision applications submitted for the September 4th Planning Commission Meeting.

A copy of the amended Subdivision Regulations can be [downloaded](http://www.collierville.com/gov_dev_plans.html#sub) online at the Town website (http://www.collierville.com/gov_dev_plans.html#sub).

All meetings will be at Collierville Town Hall (500 Poplar View Parkway). Please contact the Planning Division front desk (901-457-2360) by the day scheduled to verify meeting room location and to let us know that you will be attending.
