

BOARD WORK SESSION

This is a tentative agenda and can be modified at any time prior to the meeting. No formal vote will be taken by the Board of Mayor and Aldermen during the work session.

JANUARY 28, 2008

- 4:30-5:00** **Subdivision Regulations** – Planning staff has been working on some proposed amendments to the current subdivision regulations. The purpose of this agenda item is to get the Board’s feedback on some proposed changes, with the intent to bring them back before the Planning Commission for formal adoption at a future commission meeting.
- 5:00-5:45** **Police/Court Expansion Project** – staff will discuss the proposed contract with Spirit Architecture for the design and construction management of the project.
- 5:45-5:55** **Reverse 911 System** – Assistant Town Administrator Chip Petersen will discuss the benefits and costs of implementing a system that can contact the public in the event of an emergency and how it would be used to enhance safety within the Town.
